

CIRCLE THEATRE

Professional Theatre in an Intimate Setting

Dear Educator;

It is with great enthusiasm that we extend an invitation for your participation in Circle Theatre's annual High School Playwriting Project. Since its inception in 1996, this initiative has been guided by dedicated theatre professionals and educators, all driven by a shared commitment to fostering young people's passion for both theatre and writing.

We are thrilled to announce a significant development for this year's project. **Thanks to the generous support of the Kiwanis Club Fort Worth**, scholarships will be awarded to the finalists, semi-finalists, and their respective teachers, adding an extra layer of encouragement and recognition to the participants.

To celebrate the achievements of our talented students, trophies will be presented to both finalists and semi-finalists during our Finalist Reading Series—a reception and public of the finalists' scripts—on May 5, 2024, at Circle Theatre. This event not only highlights the creativity of the students but also acknowledges the dedication of their teachers.

Whether or not playwriting is part of your curriculum, we encourage students to take part in this enriching experience. Circle Theatre provides a new curriculum, available at circletheatre.com/hssp, and we invite you to share this information with other teachers who may have interested students in their classes.

For your convenience, please find the detailed information about HSPP and its requirements. Additionally, if you plan to attend, kindly fill out the **Letter of Support** and submit it to the provided email address.

To ensure your participation, please note that the deadline for script submissions is March 15, 2024. Kindly inform us of your intent to participate by emailing hssp@circletheatre.com or calling 817.877.3040. If you have any questions or require further information, feel free to reach out.

Thank you for your time and commitment to nurturing young talent in the realm of theatre and writing. Your dedication to education and the arts is truly appreciated. We look forward to your participation in this exciting endeavor.
